(*b*) The consideration expressed in a document is generally taken to be its value for determining the registration fee. Where no consideration is expressed, the value of the property dealt with as shown in the document is taken.

(*c*) The provisions of sections 5, 6, 20, 21, 23 and 25, of the Mysore Stamp Regulation and of the Indian Stamp Act, respectively, are applied *mutatis mutandis* to calculations of value for the purpose of determining the registration fee.

(*d*) In the case of leases the value is taken—

(1) at the total rent for the whole term when the lease is for periods not exceeding one year ;

(2) at the average annual rent when the lease is for periods exceeding one year ;

(3) at one-fifth of the whole amount of rents payable for the first fifty years when the lease is perpetual.

In all cases where a fine or premium is paid or is made payable or money is advanced, that amount is also added to the value. When a lessee undertakes to pay assessment, quit-rent, etc., in addition to the rent, the said payment also is added to the rental value. If the rent is payable in kind and its money value is not specified in the lease, its value is taken to be the highest amount which the stamp borne by the document shall suffice to cover ; but if the lease bears no stamp or is exempt from stamp duty, the money value of the produce is calculated at the current market rates.

Where in agricultural leases for one year or less the rent is not fixed either in kind or in cash and the lease deed is unstamped, its value for purposes of registration is taken to be five times the assessment on the land the rent of which is secured by the instrument, when the survey assessment is specified in the lease.

(*e*) In the case of deeds of partition, the value of the separated share or shares on which the stamp duty is payable is taken as the value or consideration.

(*f*) When the value of the document is not specified :

In the case of all other documents in which neither the consideration for the transaction nor the value of the property affected is expressed, or in which it is only partially expressed the

value shall be the maximum amount which the stamp borne by the document is sufficient to cover, if the document is one which is liable to stamp duty at *ad valorem* rates. If the value cannot be determined from the stamp, as for instance when the deed is not liable to stamp duty, or is liable to duty at a fixed amount irrespective of the value of the transaction, or when the transaction is not susceptible of money valuation, the fee leviable shall be Rs. 6-12-0 provided that in cases where value of only a portion of the property or consideration is given and that value exceeds Rs. 1,500 the fee shall be levied on the value so expressed.

Note.—In the case of documents evidencing petty transactions incapable of valuation the Inspector-General of Registration may, if he considers that the levy of a fee of Rs. 6-12-0 would be productive of hardship, authorise Registering Officers to levy a lower fee, which however shall not be less than four annas and six pies.

(*g*) For registration of a document purporting to give collateral or auxiliary or additional or substituted security or security by way of further assurance, where the principle or primary mortgage is duly registered :—

NEWSPRINT CONTROL ORDER, 1951.

New Delhi, the 8th March 1951.

S.R.O. 335A.—In exercise of the powers conferred by Section 3 of the Essential Supplies (Temporary Powers) Act, 1946 (XXIV of 1946), the Central Government hereby makes the following Order, namely :—

THE NEWSPRINT CONTROL ORDER, 1951.

1. Short title, extent and commencement.—(1) This Order may be called the Newsprint Control Order, 1951.

(2) It extends to the whole of India, except the State of Jammu and Kashmir.

(3) It shall come into force on the 12th March 1951.

2. *Definitions.*—In this Order—

(*a*) "newspaper" means any periodical publication printed on newsprint appearing at regular intervals of not more than one month;

(*b*) "newsprint" means white printing paper in reels or in sheets, the fibre content of which comprises not less than 70 per cent of mechanical wood pulp, and which weighs not less than 40 grammes per square metre;

(*c*) "daily newspaper" means a newspaper which is published on not less than 6 days in a week and includes any Supplement or Special edition of such newspaper, whether or not such supplement or special edition is separately registered under the Press and Registration of Books Act, 1867 (XXV of 1867);

Explanation.—The expression "special edition" includes a weekly edition whether appearing under the same title as the daily newspaper or a different title.

(*d*) "weekly newspaper" means a newspaper published once a week;

(*e*) "week" means a period of seven consecutive days beginning with a Monday;

(*f*) "schedule" means a schedule to this Order.

3. *Restriction on use of newsprint.*—No person shall use newsprint for any purpose other than that of printing a newspaper, except under a General or Special permission in writing granted by the Central Government or by an officer authorised by the Central Government in this behalf.

4. *Maximum size of page of newspaper.*—No person shall publish any daily or weekly newspaper any page of which, including margins and other spaces clear of print, exceeds 432 square inches in area.

5. *Weekly quota of pages.*—(1) Subject to the provisions of clause 6, the total number of pages, in all the issues of a daily newspaper published during a week, or in a weekly newspaper, shall not exceed the quota assigned in schedule I to a newspaper of that class and price.

(2) For the purposes of this clause, a daily and a weekly newspaper shall be classified as Class A, Class B, Class C, Class D or Class E according as the area of the page of the newspaper, including margins and other spaces clear of print is 432 square inches or less than 432 square inches but not less than 372 square inches, less than 372 square inches but not less than 200 square inches, less than 200 square inches but not less than 150 square inches, less than 150 square inches but not less than 75 square inches, or is less than 75 square inches.

Explanation.—Where the page of a newspaper varies in size from time to time, the area of the page of the newspaper for the purpose of this clause shall be the area of the largest page.

6. *Larger quota to daily newspaper under certain conditions.*—Notwithstanding anything contained in clause 5, the proprietor of a daily newspaper classified as Class A and priced at one anna shall be entitled to publish once a week a higher priced issue and thereupon the weekly quota of such newspaper shall be—

(*a*) in the case of a daily newspaper published on 6 days, the average quota of such newspaper for 5 days *plus* the number of pages permitted to a weekly

news paper of the price equivalent to the price of the higher priced issue of the daily newspaper; and

(*b*) in the case of a daily newspaper published on 7 days, the average quota of such newspaper for 6 days *plus* the number of pages permitted to a weekly newspaper of the price equivalent to the price of the higher priced issue of the daily newspaper.

Explanation.—In calculating the weekly quota under this clause a fraction of less than one shall be disregarded.

Illustration I.—If a one-anna newspaper, which is published on 6 days, brings out a 2-anna issue on any one of those 6 days, its weekly quota would then be 22×5/6 or 18·3 *plus* 8 (which is the number of pages permitted to a 2-anna weekly newspaper), the total being 26.

Illustration II.—If a one-anna newspaper, which is published on 7 days, brings out a 2-anna issue on any one of those 7 days, its weekly quota would be 26×6/7 or 22·23 *plus* 8 (which is the number of pages permitted to a 2-anna weekly newspaper) the total being 30 pages.

7. *Determination of disputes.*—If any dispute arises as to the classification of a newspaper under clause 5, it shall be referred to the Central Government and the decision of the Central Government thereon shall be final.

8. *Power to require sale of newsprint.*—The Central Government, if it considers it necessary or expedient to do so, may direct any person, other than the proprietor of a newspaper, to sell or otherwise transfer any newsprint in his possession or under his control to such other person as may be specified in the direction, and thereupon the first named person shall comply with the direction.

9. *Submission of returns by importers of newsprint.*—The proprietor of a newspaper or any other person who imports or otherwise acquires newsprint from outside India shall, within seven days of such import or acquisition, send an intimation in writing to the Secretary to the Government of India, Ministry of Commerce and Industry, New Delhi, giving full details as to the quantity of, and the source from which, such newsprint was so imported or acquired.

11. *Power to relax any provision of this Order.*—The Central Government may, in any special case, authorise in writing the doing of any act which would otherwise be prohibited by this Order.

12. *Repeal.*—The Newsprint Control Order, 1950, is hereby repealed:

Provided that anything done or any action taken in the exercise of any power conferred by the said order shall be deemed to have been done or taken in the exercise of the powers conferred by this order as if this order was in force on the day on which such thing was done or action was taken.

BILLS, SELECT COMMITTEE REPORTS, IF ANY, THEREON AND ACTS AND ORDINANCES OF MYSORE.

NOTIFICATION.

No. 23—L.A., Bangalore, dated 9th April 1951.

As required by Standing Order 36 of the Legislative Assembly Standing Orders the report of the Select Committee on the Mysore Village Panchayets and District Boards Bill, 1951, with the amended Bill is hereby published.

G. S. VENKATARAMANA IYER,
Secretary,
Mysore Legislature.

MYSORE LEGISLATIVE ASSEMBLY.

Budget Session, March-April 1951.

REPORT OF THE SELECT COMMITTEE ON THE MYSORE VILLAGE PANCHAYETS AND DISTRICT BOARDS BILL, 1951.

(Presented on 5th April 1951.)

We, the Members of the Select Committee to which the Mysore Village Panchayets and District Boards Bill, 1951, was referred, have considered the several clauses of he Bill in detail and have the honour to submit the ollowing report:

Clause 2—Item (11).—We recommend that this definition of "panchayetdar" may be omitted as that word will not occur in the Bill in view of other recommendation made by the Committee.

Item (13).—We recommend that the definition of "private market" may be omitted, as in our view, there should be no provision for private markets in future.

Clause 3 (2).—Some of us think that in the less thickly populated parts of the State like the Malnad areas, a minimum population of 2,000 for the establishment of a Panchayet may be an unduly large number and we therefore consider it desirable to give power to the Government under this Bill to set up Panchayets for a smaller population in exceptional cases. We accordingly recommend that for sub-clause (2) of Clause 3, the following proviso may be added:

> "Provided that the Government may in exceptional cases establish a Panchayet for a village or a group of villages with a population of less than 2,000 but more than 1,000."

Clause 6.—In regard to the reservation of seats in a Panchayet for the Scheduled Castes, we are of the opinion that in accordance with the spirit of the Constitution, seats should be reserved in the proportion of their

population. We accordingly recommend that Clause 6 may be recast as follows:

"6. Seats shall be reserved in a Panchayet for the Scheduled Castes, the number of such seats bearing as nearly as may be the same proportion to the total number of seats in the Panchayet as the population of the Scheduled Castes in the village or group of villages served by a Panchayet bears to the total population of the village or villages:

Provided that at least one seat shall be reserved in a Panchayet for the Scheduled Castes:

Provided further that this section shall cease to have effect after ten years from the commencement of this Act."

Clause 8.—As the date on which a person completes twenty-one years of age in order to render him eligible to vote has to be determined with respect to each election, we recommend that after the words "twenty-one years of age" the words "on such date with reference to each election as may be prescribed by the Government" may be added.

Clause 9.—In item (*o*) of this Clause we recommend that the words "or whipping" may be omitted.

Clause 10.—We feel that candidates for election to a Panchayet should be not less than twenty-five years of age and we accordingly recommend that in Clause 10 after the word "election" the words "and is not less than twenty-five years of age on the date appointed for the presentation of nominations." may be inserted.

Clause 11.—In our opinion, the recommendation of a Panchayet on which the Commissioner may take action to remove a member should be a recommendation passed by a two-thirds majority. We accordingly recommend that for the words "on the recommendation of a Panchayet, remove any member, elected under this Act" the words "on a resolution of a Panchayet for the removal of a member, passed by a majority of not less than two-thirds of the total number of members, remove such member".

Clause 15.—We consider it unnecessary to provide for a Vice-Chairman for a Panchayet. We accordingly recommend that sub-clause (2) of this clause may be deleted and references to Vice-Chairman in this Clause, in Clause 16 and in the other Clauses of this bill may be omitted.

Clause 19 (3).—While we agree that the quorum for the meeting of a Panchayet should not be less than half, we consider it unnecessary to require such a large number for an adjourned meeting. We accordingly recommend that at the end of sub-clause (3) the following words may be inserted :

> "If at the time appointed for the meeting or within half an hour thereafter a quorum is not present, presiding authority shall adjourn the meeting to such hour on the same day or on some future day as he may fix. He shall similarly adjourn the meeting at any time after it has begun if his attention is drawn to the want of a quorum. At such adjourned meeting, the business which would have been brought before the original meeting shall be transacted whether there is a quorum present or not provided that not less than five members are present."

Clause 19. (6) We recommend that for the word "Panchayetdars" the words "members of the Panchayet" may be substituted.

Clause 20.—In sub-clause (1), for the words "every Panchayet shall employ" we recommend that the words "every Panchayet may employ" may be substituted in order to make it clear that the appointment of specified officers and servants is not a mandatory but only an empowering provision.

Clause 21.—We recommend that sub-clause (2) may be omitted as we have recommended the deletion of all provisions relating to Vice-Chairman of a Panchayet.

We recommend that the limit up to which the Chairman may pass bills and sanction estimates may be raised from Rs. 25 to Rs. 50 and the limit for incurring contingent expenditure may be decreased from Rs. 10 to Rs. 5, and we accordingly recommend that in item (1) for the

letters and figures "Rs. 25" the words "fifty rupees", and in item (2) for the letters and figures "Rs. 10", the words "five rupees" may be substituted.

Clause 23.—At the commencement of item (8) of this Clause we recommend that the word "establishment" may be inserted.

In item (20) we recommend that the word "sevadals" may be omitted as it is covered by the prior and subsequent clauses of this item.

In item (22) we recommend that the words "within a distance of 220 yards from the village" may be omitted.

We consider it unnecessary to make it an obligatory function of a Panchayet to attend to the matters set out in items (20) and (21). We accordingly recommend that these two items subject to the changes recommended above, may be transferred to Clause 24.

Clause 24.—We recommend that in item (6) after the word "education" the words "library and reading rooms" may be inserted.

We recommend that for the words "rural medicine" in item (13) the words "medical aid" may be substituted.

We consider it desirable to make the subjects referred to in items (3), (4), (10) and (12) of this Clause obligatory functions of a Panchayet and we accordingly recommend that these items may be taken over to Clause 23.

We feel that the exercise of the discretionary functions should not merely be subject to rules of the Government but should also be subject to prior approval of the Commissioner in each case. We accordingly recommend that at the commencement of this Clause after the words "in this behalf" the words "and subject to the previous approval of the Commissioner" may be inserted.

Clause 29.—In sub-clause (1) we recommend that for the words "within a month" the words "within two months" may be substituted.

Clause 38.—We have examined in great detail the question of proportion of land revenue to be assigned to the Panchayets. We consider it better to assign a specific

portion to a Panchayet so that it might be in a position to frame its own budget on the basis of ascertained income. We accordingly recommend that in sub-clause (1) for the words "ordinarily assign to a Panchayet an amount equal to six and one-fourth per cent of the land revenue" the words "asssign to a Panchayet an amount equal to twelve and a half per cent of the land revenue" may be substituted and that sub-clause (2) may be deleted and sub-clause (3) may be suitably amended.

Clause 39.—We recommend that sub-clauses (1) and (2) of this Clause may be recast as follows:

"39. (1) The Panchayet shall determine the rates of tax on all houses, shops or places of trade or business, vacant sites, *hittals* and carts kept in the village or villages within its jurisdiction, not exceeding the maxima specified in Schedule I.

(2) When the rates of tax leviable are determined by the Panchayet under sub-section (1), the Secretary of the Panchayet shall prepare an assessment list in accordance with rules and bye-laws made in this behalf and the list so prepared shall be subject to the approval of the Panchayet. The assessment shall be recovered by the Secretary in such manner as the Panchayet may determine by bye-laws made in this behalf."

We recommend that in sub-clause (3) for the word "Secretary" the word "Panchayet" may be substituted.

Clause 42.—As we are informed that it may not be in order to provide for levy of taxes without specifying the taxes or setting out the maximum rate at which the levy could be made, we recommend that this Clause may be recast as follows:

"42. (1) A Panchayet may, subject to bye-laws made by it in this behalf, levy a tax on shandies, fairs and festivals at rates not more than the rates specified in Schedule III:

Provided that the levy of such tax is agreed to by not less than two-thirds of the total number of members of a Panchayet.

(2) Any tax specified in sub-section (1) may be cancelled with the previous sanction of the Government.

(3) The Secretary shall assess and take action to recover any such tax as is levied under sub-section (1)."

Original Clause 43.—For the reasons which are set out in respect of Clause 42, we recommend that this Clause may be deleted and that if at any time the Government consider it necessary to empower and permit a Panchayet to levy any other tax, cess or rate they may bring an amendment to the Bill for this purpose subsequent clauses may be re-numbered.

Clause 47 (Original Clause 48).—In sub-clause (4) of this Clause we recommend that the following item may be added at the end :

"(*v*) adequate closing balance has been provided for."

Clause 50 (Original Clause 51).—We consider it desirable to specify in the Bill itself the number of seats to be allocated to each District Board as all the districts in the State are not uniformly populated and any allocation on the basis of population must secure proper representation in some of the thinly populated districts. We accordingly recommend that sub-clause (2) may be recast as follows :—

"(2) The total number of seats in a District Board specified in the first column of the Fourth Schedule shall be the number specified in the second column thereof opposite to that district."

Clause 52 (Original Clause 53).—We recommend that the seats to be reserved for the Scheduled Castes in a District Board should have the same proportion to the total number as the population of the Scheduled Castes bears to the total population of the district. We accordingly recommend that sub-clause (2) may be recast as follows :—

"(2) The number of such seats shall bear, as nearly as may be, the same proportion to the total number of seats in the District Board as the population of the Scheduled Castes in the district bears to the total population of the district

Provided that at least one seat shall be reserved in a District Board for the Scheduled Castes :

Provided further that this section shall cease to have effect after ten years from the commencement of this Act :

Provided further that the second proviso to this section shall not affect any representation in a District Board until the expiry of the term of office of its members."

Clause 54 (Original Clause 55).—In item (*a*) of sub-clause (1) (A) we recommend that the words "or whipping" may be omitted.

In item (*a*) of sub-clause (1) (B) we recommend that after the words "District Board" the words "Village Panchayet or any other local body" may be added.

We recommend that in item (*c*) of sub-clause (2) for the words "four consecutive months from the District for which the Board is established" the words "three consecutive meetings of the Board" may be substituted.

We recommend that sub-clause (3) of this Clause may be recast as follows :—

"(3) If any question arises whether any person is disqualified under this section or disabled from continuing as a member, the question shall be referred for the decision of the Government and its decision shall be final."

Original Clause 57.—As the cases which might arise under sub-clause (1) of this Clause are covered by the provisions of sub-clauses (2) and (3) of Clause 55, we consider it unnecessary to repeat the same provisions and we accordingly recommend that this clause may be completely deleted and subsequent clauses re-numbered suitably.

Clause 57 (1) (Original Clause 59. (1)—We recommend that the words and figures "or the date of the order or proceeding under section 58" may be deleted as unnecessary.

We recommend that for the words "deposit of fifty rupees as security for costs" the words "deposit of one hundred rupees as security for costs" may be substituted

Clause 61 (*Original Clause 63*).—We recommend that the words "or has refused to act as a member" occurring at the end of this Clause may be omitted.

We consider it necessary to require the support of at least two-thirds of the members for any recommendation of the District Board for the removal of a member on which the Government may take action. We accordingly recommend that for the words "on the recommendation of a District Board, remove any member of such Board" the words "on a resolution of a District Board for the removal of a member of such Board, passed by a majority of not less than two-thirds of the total number of members of the Board, remove such member" may be substituted.

Clause 62 (*Original Clause 64*).—In order to avoid any possible friction between an outgoing President and an incoming President, we recommend that the proviso to sub-clause (1) may be recast as follows :—

> "Provided that notwithstanding the expiry of his term, a President or Vice-President shall continue in office until three of the clock on the day prior to the day appointed for the election of the next President."

Clause 64 (*Original Clause 66*).—We recommend that this Clause may be recast as follows :—

> "The jurisdiction of a District Board shall extend over the area of the district for which the District Board has been established except areas excluded from its jurisdiction under section 49."

Clause 68 (*Original Clause 70*).—In view of the enlarged powers and responsibilities of District Boards, we consider it desirable to provide for meetings once in every two months instead of once in every three months.

We therefore recommend that in sub-clause (1) for the words "once in every three months" the words "once in every two months" may be substituted.

Since the expression "quarterly meeting" which is used in the subsequent provisions of this Clause for such meetings, would become inappropriate, we recommend that for the words "quarterly meeting" wherever they

occur, the words "ordinary meeting" may be substituted and after the words "two months" as recommended in sub-clause (1) of Clause 68, the brackets and words "hereinafter in this section called ordinary meeting" may be inserted.

We have recommended that Clause 62 may be amended so that an outgoing President would vacate his office on the day prior to the day appointed for the election of the new President. It will be therefore necessary to provide for a presiding officer for the first meeting of a reconstituted Board. We are of the opinion that the Deputy Commissioner of the District should be the officer who should preside over such a meeting, but that the date of the first meeting should be fixed by the Chief Executive Officer. We accordingly recommend that in item (a) of sub-clause (2) of this Clause for the words "fixed by the Deputy Commissioner" the words "fixed by the Chief Executive Officer and the Deputy Commissioner shall preside at such meeting" may be substituted.

Sub-clause (3) of this Clause provides that the minutes book shall be open to inspection by any member of the Board or by any inhabitant of the district. We consider it sufficient if this right to inspection is limited to members of the Board and to persons entitled to vote for elections to the Board. We accordingly recommend that for the words "by any inhabitant of the district" occurring at the end of this sub-clause, the words "by any person entitled to vote for elections to the District Board" may be substituted.

Clause 71 (Original Clause 73).—Since the function of watching over the financial and executive administration of the Board is conferred on the president also under Clause 65, we consider it unnecessary to allot this function independently to the Chief Executive Officer also. We accordingly recommend that item (3) of this Clause may be deleted.

Clauses 72 and 73 (Original Clauses 74 and 75).—In our view, the Chief Executive Officer may execute contracts or agreements where the amount or value of such contract or agreement does not exceed one thousand rupees, he may execute such contracts or agreements between one thousand rupees and three thousand rupees with the

approval of the President and in all other cases he can execute such contracts or agreements only with the previous approval of the Board and in any case he should report to the Board within fifteen days of such execution the fact of the execution of any contract whatsoever. We accordingly recommend that sub-clause (2) of Clause 72 may be recast as follows:

"(2) In respect of matters which he is empowered to carry out under the provisions of this Act, the Chief Executive Officer may execute contracts or agreements on behalf of the District Board where the amount or value of such contract or agreement does not exceed one thousand rupees and he may execute such contract or agreement on behalf of the District Board with the previous approval of the President where the amount or value of such contract or agreement exceeds one thousand rupees but does not exceed three thousand rupees and in all other cases he shall execute a contract or agreement only with the approval or sanction of the District Board."

We recommend that Clause 73 may be recast as follows:—

"73. Where a Chief Executive Officer enters into contract or agreement on behalf of a District Board, he shall report the fact to the District Board within fifteen days thereof."

Clause 74 (Original Clause 76).—The personal liability for misappropriation referred to in the proviso to this Clause should, in our opinion, apply not only to misappropriation to which a member of a District Board has been a party but also in respect of misappropriation of money or other property entrusted to him as member. We accordingly recommend that after the words "or other property of the Board" occurring in this proviso, the words "entrusted to him as member or" may be inserted.

Clause 77 (Original Clause 79).—We consider it sufficient if the President is made *Ex-officio* Chairman of the Standing and Audit Committees. The Vice-President should be the Chairman of the Public Health and the Scheduled Castes Amelioration Committees. We

accordingly recommend that sub-clause (2) may be recast as follows :—

"(2) The President of the District Board shall be a member and the Chairman of the Standing Committee and the Audit Committee and the Vice-President of the District Board shall be a member and the Chairman of the Public Health Committee and the Scheduled Castes Amelioration Committee and in the absence of the Chairman the Committee may appoint any other member to officiate as Chairman."

We consider it desirable to specify the number of members of the Board belonging to the Scheduled Castes who should serve on the Scheduled Castes Amelioration Committee, and we accordingly recommend that the second proviso to sub-clause (3) may be recast as follows :—

"Provided further that the Scheduled Castes Amelioration Committee shall consist of not more than nine members of whom not more than six members shall be the Scheduled Castes members of the Board."

Clause 78 (Original Clause 80).—We think that the Public Health Committee should perform only such duties and exercise such powers as may be delegated by the Board and we accordingly recommend that in sub-clause (3) for the words "The Public Health Committee shall perform the duties and exercise the powers of the Board" the words "The Public Health Committee shall perform such duties and exercise such powers of the Board as may be delegated to it by the Board" may be substituted.

In sub-clause (4) we recommend that for the words "shall supervise" the words "shall watch over" may be substituted.

Clause 80 (Original Clause 82).—In sub-clause (4) we recommend that for the words and brackets "shall be entitled to (and ordinarily shall on the invitation of the President of a District Board)" the words "shall ordinarily on the invitation of the President of a District Board" may be substituted.

Clause 87 (Original Clause 89).—We consider unnecessary to provide for travelling allowances to members as a discretionary duty and we recommend that item (7) of sub-clause (A) may be transferred to Clause 111 which relates to the application of District Fund.

In item (9) of the same sub-clause, it is necessary, in our view, to empower a District Board to provide for accommodation to servants of an institution to which the Board makes regular grants. We accordingly recommend that in this item after the words "District Board" the words "or belonging to any institution to which the Board makes regular grants" may be inserted.

In item (5) of sub-clause (B) we recommend that for the word "matter" the word "measure" may be substituted and that after the words "safety or convenience" the words "material or moral development of the people" may be inserted.

Clause 88 (Original Clause 90). We recommend that for the words "A District Board may agree" the words "A District Board may enter into an agreement" may be substituted.

Clause 90 (Original Clause 92).—We recommend that for the words "after consultation with the Board" occurring at the end of the Clause, the words "with the consent of the Board" may be substituted.

Clause 92 (Original Clause 94).—We recommend that for Clause 92, the following Clause may be substituted.

> "92. Every District Board shall render such technical assistance as may be available with it and as may be required by the Village Panchayets within the district free of cost and it shall be lawful for a District Board to supplement works of development undertaken by a Panchayet within the district by taking up schemes which are beyond the powers of the Panchayets to execute."

Clause 96 (Original Clause 98).—We recommend that sub-clause (2) may be deleted as these matters could be provided by the rules.

We recommed that in sub-clause (3) which may be re-numbered as sub-clause (2), for the words "without the

sanction of the Government" the words "without the sanction of the Board" may be substituted.

Clause 97 (Original Clause 99.)—We recommend that in sub-clause (1) the words "either private or public" may be deleted.

We also recommend that sub-clauses (3) and (4) may be deleted.

We recommend that in sub-clause (6) for the words "the local authority concerned" the words "the Panchayet or the District Board concerned" may be substituted.

Clause 98 (Original Clause 100).—We recommend that for the word and figure "Schedule III" the word and figure "Schedule V" may be substituted.

Clause 99 (Original Clause 101).—We are of the opinion that the right of appeal against the orders of the Chief Executive Officer on applications for licenses under this Part should lie not to the Commissioner but to the Board and we accordingly recommend that for the words "the Commissioner" occurring in sub-clause (1) the words "the Board" may be substituted.

Clause 106 (Original Clause 108).—We considered in great detail this provision relating to the assignment of certain revenues to the District Boards and we recommend that the word "ordinarily" occurring in sub-clauses (1) and (2) may be deleted.

We further recommend that in sub-clause (3) for the words "entire cess on land revenue and excise", the words "entire cess on land revenue, excise and forest revenue" may be substituted and that all the words occurring in this sub-clause after the word "excise" may be deleted

Original Clause 109.—We recommend that this Clause may be omitted and subsequent clauses re-numbered suitably.

Clause 107 (Original Clause 110).—We recommend that sub-clause (2) of this Clause may be omitted as it does not appear permissible to levy a surcharge of the kinds contemplated by this sub-clause.

Original Clause 111.—As we understand that such a general provision is not permissible we recommend that this Clause may be deleted and subsequent clauses re-numbered suitably.

Original Clause 115.—We recommend that this Clause may be omitted as it is open to the Government, whenever it considers necessary, to empower a District Board to levy any special cess, to do so by an amendment of this measure.

Clause119 (Original Clause 124).—We recommend that for the words "quarterly meetings" occurring in sub-clause (1) the words "ordinary meetings" may be substituted.

Sub-Clause (2).—We are of the view that the budget of a District Board should be sent to the Government for approval and that such approval should be presumed if the budget is not returned within two months. We accordingly recommend that for the words "shall be sent to the Government" the words "shall be sent for approval to the Government" may be substituted and that the following words may be added at the end:

> "If the budget is not returned by the Government within two months of the receipt thereof by the Government, the budget should be presumed to have been approved by the Government".

Clause 130 (Original Clause 135).—We recommend that in sub-clause (2) for the word "levy" the word "recover" may be substituted.

Original Clause 144.—We recommend that this clause may be omitted as we are not in favour of the Deputy Commissioner exercising powers of a Commissioner under this Act.

Clause 146 (Original Clause 152).—We recommend that in the proviso to sub-clause (4) for the words "five years" the words "one year" may be substituted.

Clause 156 (Original Clause 162).—We are of the opinion that before the Deputy Commissioner proceeds to execute any work in an emergency he should intimate the District Board and it is only on the failure of the District
